Community Update 5

## Brunswick Tram Depot Upgrade

The Department of Transport and Planning and Yarra Trams are upgrading the Brunswick Tram Depot to support the addition of larger trams to the fleet, additional trams in the depot and provide improved accessibility and safety.

## Brunswick Tram Depot administration building upgrade and refurbishment

As part of the upgrade project, the installation of the temporary facilities for the operations and administration of the depot, located in the old staff car park, will soon be complete.

Operations and administration of the depot will be run from these temporary facilities while we undertake works to upgrade and refurbish the existing depot building.

Works to demolish part of the existing building will commence February 2025. The external white facade facing Sydney Road will be retained.

We will continue to provide community updates on these upcoming works.

### Where?

Brunswick Tram Depot, 807 Sydney Road, Brunswick.

(See map overleaf for more information.)

### When?

- Ongoing **7am to 4pm, February 2025** (Monday to Friday only).
- Works to install foundations and service connections for the new administration building will commence after the demolition.

For more information about the project visit [yarratrams.com.au/projects](https://yarratrams.com.au/projects) or call **1800 800 007**.

### What to expect?

- Vehicles, machinery and contractors on site.
- Mostly medium level noise, with some high level noise at times.
- Traffic and pedestrian management will be in place if required.
- Construction vehicles will access the site via Cameron Street.
  - Majority of demolition work will be internal to the depot site from the west of the existing building.
  - The white facade facing Sydney Road will be retained.
  - Brick fencing to the north side of the white facade will be demolished. There will be some impacts to the footpath while this occurs. Traffic management will be in place to safely assist pedestrians.
- Access to local properties will be maintained.
- Tram services will not be affected.

For more information about the project visit [yarratrams.com.au/projects](http://yarratrams.com.au/projects) or call **1800 800 007**.
